

# 29th International Workshop on Smart Antennas 2026

— 5-7 October 2026, Barcelona, Spain —

Advancing innovation in smart antennas and next-generation wireless communication systems

## Tracks

- ❖ Multiple Input Multiple Output
- ❖ Artificial Intelligence for Smart Antenna Systems
- ❖ Electromagnetic Signal Processing and Propagation
- ❖ Integrated Sensing and Communication
- ❖ Multi-Antenna Solutions for Non-Terrestrial Networks
- ❖ Photonics for Antenna Arrays
- ❖ Resilient Multi-Antenna Communications
- ❖ Experimental and Field Trials for Smart Antenna Systems
- ❖ Terahertz Signal Processing, Technology and Applications

## Important Dates

- ❖ Paper Submission Deadline  
**April 15, 2026**
- ❖ Notification of Acceptance  
**July 15, 2026**
- ❖ Full Paper Submission  
**August 15, 2026**
